

Highway District No. 1 No Spray Zone List

No Spray Zone Form's can be obtained by contacting our office at 278-3041

Upon completion of the form mail to Highway District No. 1, 3890 NW 1st Avenue New Plymouth, ID 83655.

Within (5) working days our department will visit the site and inspect for compliance with the mandatory requirements and get the GPS coordinates for the no spray zone.

Upon inspection and GPS data collection a letter informing you of your no spray status will be sent to you. If the property does not pass the mandatory requirements you will be informed on how to bring the property into compliance.

Once the property is in compliance the GPS coordinates and physical address will be added to the no spray zone list and no spray zone signs will be placed in the appropriate areas by Highway District personnel.

The property will be inspected periodically and if the property is not maintained as required, an inspection letter will be sent to the applicant on record describing the problem. The applicant will be given a date that compliance must be met by.

After the date on the inspection letter, if the property is not maintained as required, a letter will be sent informing the applicant of their removal of the property from the no spray zone list, giving specific instruction on how to reapply if they choose.

Mandatory Requirements:

1. All vegetation shall be removed, or kept less than a two (2) inch height with (8) feet off the pavement.
2. All noxious weeds shall be removed.
3. It will be the landowner's responsibility to inform the Highway District of any missing "no spray zone" signs.
